Introduction

i-Success Academy is an educational establishment which offers courses of study that enable students to study flexibly from home via the distance learning method. Learning and tuition takes place via online materials, guided study, online resources, Tutor support and assessment.

 - Instant access to their online student portal
 - Access to study materials, resources and Tutor support via student portal
 - Details of how to contact their tutor, via e-mail and portal

Tutor support is delivered remotely; there is no “face-to-face” contact. Students have full access to their tutor in by e-mail and the e-portfolio. This is the preferred method of contact, particularly for submission of assignments and receipt of feedback.

Students are fully supported for 12 months within the course price. Should a student not complete within a 12 months he or she is able to buy additional support through to successful accreditation. All courses offered by i-Success Academy are accredited courses by TQUK. This means that they have been approved by the relevant awarding body as ‘fit for purpose’. The courses on offer have been tried and tested over the years and improved by feedback from students, Awarding Organisations, Colleges of Further Education, sector bodies and tutors.
